

1-Amendment to Article III(2) - Membership

Original text	All applications for membership must be completed in full on a form approved and provided by the Association. Each application must be accompanied by one year's annual dues. These funds shall be deposited in an account until the application is either approved or rejected.
New text	All applications for membership must be completed in full on a form approved and provided by the Association. Each application must be accompanied by a copy of the applicant's driver's license and one year's annual dues. These funds shall be deposited in an account until the application is either approved or rejected. Applications, supporting documentation, and printouts of the searches done to verify accuracy of the application will be kept on file by the MNPPSA indefinitely. All records held by the MNPPSA will be kept confidential and only the status of the application and year of acceptance or rejection may ever be disseminated.
Purpose	To establish a policy regarding confidentiality of membership materials.
